About Us

Founded in 2009, Seoul AutoParts has been supplying genuine OEM parts for **Hyundai, Kia, and KGM (SsangYong)** vehicles to importers, workshops, and dealerships worldwide. We deal exclusively in 100% genuine OEM parts — no aftermarket, no substitutes. Every part comes with original packaging and manufacturer part numbers, giving our buyers complete confidence.

We proudly serve customers across **Europe, Asia, the United States, Central America, and South America** — delivering Korean OEM quality to workshops and importers around the globe.
